Mission is to raise funds in support of other 501(c)(3) organizations that cater to the needs of children.

Dear Community Friend,

They say it takes a village to raise a child, but we believe it takes a community to make a miracle.

As we gear up for the **6th Annual Putting For Miracles**, we are filled with excitement. What started in 2022 as an idea between founders Dave & Stacy has grown into a local movement that has raised over **$40,000** for pediatric health. All net proceeds from our 2027 event will be split 50/50 between **Children's Miracle Network at Penn State Health Golisano Children's Hospital** and **GiGi's Playhouse of Lancaster.**

We are proud of this milestone, but as Philadelphia Eagles coach Nick Sirianni noted: "*You can't be great without the greatness of others*."

Putting For Miracles is a 100% volunteer-run organization. To make this event a success for our players, vendors, and the families we support, we need a dedicated team of on-the-ground **Miracle Makers**.
