Mission is to raise funds in support of other 501(c)(3) organizations that cater to the needs of children.

December 2025

Dear Community Friend,

They say it takes a village to raise a child, but we believe it takes a community to make a miracle. As we gear up for the 5th Annual Putting For Miracles, we are filled with excitement. What started as a small idea by two people (Dave & Stacy) has grown into a massive local movement that has raised over \$40,000 for children in need.

We are so proud of this milestone, but as the popular Nick Sirianni quote goes, "You can't be great without the greatness of others."

The truth is, we can't do this alone. We are a 100% volunteer-run organization. To make this event a success for our players and the families we support, we need the "greatness" of a team of Miracle Makers to help us on the ground.
